or of visitors from West Virgin and n that part of Ohio bordering the tral Ohio Hailroad. The officers of to make this Fair the most interesting that has been held here for many years. ave their efforts will be am-ul. We should be glad to

Improvements Parkersburg and

We tell you, gentlemen, that if we do not do something soem in this line, our city is gone to the dogs. Banks, of which we have more than we need, and stores, of which there are too many in our city, never helped to make a community prosperous. They constantly drain our weaith, giving nothing in return; while factories not only consume and invest at home what they are making, but make a community prosperous, famous, inducing immigrations

the Times says. Parkersburg has yet to learn what Wheeling has long been extend the area of his knowledge,"or acting upon, that the true source of this friends tells me. He failed as wealth for a city is manufactures.—office. 5 600 Here we have learned the lesson so well that our city is going on with a steady and substantial growth from year to 13 7 year, and has long since got out of the United States against all enemies Local notices, per line, each insertion.

WEEKLY—One square, I insertion.

Local notices, per line, and has long since got out of the woods. It may be a very pleasant thing for fastidious capitalists in places like Parkersburg to suppose that they can build up a city by the mere presence of their wealth, locked up in house. 1 60 woods. It may be a very pleasant thing with for fastidious capitalists in places like to Parkersburg to suppose that they can or FIREEAL Notice, 75 their wealth, locked up in bonds or ally nents of Deaths, gratia, their wealth, locked up in bonds or ally text bank stocks or unproductive outlying Haas No notice will be taken of communi-nitions not accompanied by a re-possible same. The name will be considered confi-citial, but must in all cases accompany let-ers as a guarantee of good saith. be built and wealth created by labor, WEDNESDAY RORNING, SEPT. 18. and labor is powerless without the aid of capital. Mr. Bishop, Secretary of the Sobul the President is the judge of a law, but the President is the judge of those cleary, who had written to the gen-eral ticket agent of the Company, yes-teriary received the following reply stating that the Company agreed to the g that the Company agreed to the

whose anics before high Heaven are now too great for explanation or de-fence, but it will not do. He belongs to them by virtue of his wrong-doing. Every man who commits a crime against the country is by that act a brevet Democrat. The responsibility to Canada, who robbed banks and burned towns along the border, all claimed and had the moral support of the Democratic party. Had there been no disloyal, unscrupulous Democratic party, these crimes would never have been committed. Had there been no Jeremiah S. Black, no Woods, no Coxes and Vallandighams, there would have been no Andrew Johnson. The Presidential monstrosity is only the ulcer of the disease of Democracy.—Paidadipplia Press.

we stock, agricultural and inechanical implements, with other articles intended for exhibition, to pay the regular tariff of the Company when the articles come in, and be returned free to the point of departure on the certificate of the Secretary that the same has been one shibition at the Fair.

In case of any sale of any implement or live stock during the fair, the party purchasing is not to have any benefit of irrestration back but to pay regular rates for sending it out; free transportation returning to be only on the American people.
